

INVITE JUDGES TO BE SPEAKERS

C. of C. Committee Asks
Goggin and Jackson to
Annual Dinner.

The entertainment committee of the chamber of commerce decided at its meeting Wednesday afternoon in the office of A. P. Coles & Bros., on North Oregon street, to extend invitations to Judges J. M. Goggin and Dan M. Jackson to deliver patriotic addresses at the annual banquet of the chamber in Hotel Paso del Norte Saturday night. A telegram was sent before the meeting to Judge Jackson, who is at Fort Worth. He replied that he would accept the invitation unless compelled to go to California on business before Saturday. John M. Wyatt, president of the chamber, will be the toastmaster at this banquet.

Decorations to Be Green.
It was decided at the meeting of the committee to have the banquet hall decorated in green, on Saturday is St. Patrick's day. Souvenirs of clay pipes with green shamrocks or ribbons will be given.

A banquet will be staged by five high school girls, while a number of cabaret features will also be on the program in which members of the Teal company now playing at the Crawford theater, will take part.

Following the cabaret features the banquet tables will be removed and those that desire will dance.

Besides H. T. Ellis, chairman, Henry T. Bowie, W. H. Shelton, Forbes Parkhill, Norman Walker, O. C. Coles, E. F. Maxwell and Claude Brown were present in committee.

THE EFFICIENCY TEST

Is Fully Met by Hood's Sarsaparilla and Peppermint Pills.

Because of what it contains, of the way it is made and of the record it has achieved, Hood's Sarsaparilla is warmly recommended to you for rheumatism, catarrh, acroch, eczema and other troubles arising from impure blood or low state of the system.

In cases that are radically anemic and nervous—marked by paleness, thin flesh, sleeplessness, nerve-exhaustion, the power of Hood's Sarsaparilla is greatly increased by Peppermint Pills, the new peppermint, nut and iron tonic.

These two medicines make the strongest combination course of treatment for the blood and nerves of which we have any knowledge.

Fine results follow this course of treatment—like Hood's Sarsaparilla regularly before meals, Peppermint Pills after meals.

Thousands of families are taking these medicines. Let your family take them, too. Get them now.—Adv.

FORGET THE PRICE

WE MEAN by this when you start out to buy a Refrigerator don't let "price" be the main factor in your purchase.

A Refrigerator is different from any other household item that you buy. Buying by price alone is liable to lead you up to an expensive proposition. We believe if we started out to buy a Refrigerator we would look for a Refrigerator that would Give Service, be Sanitary, Save Ice and be priced reasonably.

If a Refrigerator is on your Spring List you will do well to consider our Stock First. We believe you will not have to look further. Here you have choice from

The "Leonard" Cleanable

The "Bohn Syphon"

"The Gurney"

These represent three of the best makes in America—the "Northland," made by the Gurney people, is representative of the best low priced Refrigerator made. Note prices opposite.

It makes no difference what kind of a Refrigerator you require, it is here—you will serve your interests best.

Prices:

Northland prices begin at \$7.50 for the 25-lb. capacity. If it is a good refrigerator at the smallest possible price, see this one at \$7.50.

25-lb. capacity at \$10.50

30-lb. capacity at \$14.00

35-lb. capacity at \$18.00

40-lb. capacity at \$22.00

These have adjustable lined wire shelves.

Like the "Gurney," they have the round corner construction.

Carefully insulated with charcoal sheeting and non-conducting dead air spaces, a dry, cold air circulation and low temperature are procured with a minimum amount of ice.

Northland refrigerators are sanitary and easily cleaned, all parts being removable. They are trimmed with heavy, nickel-plated bronze hardware and all doors are fastened with the new convenient Gurney Spring Lock which insures tightly closed doors.
